Re: *Habnab Transportation, Inc. v. US Transportation Services, Inc., et al.*
Civil Action No. 05-375

Dear Judge Sleet:

This firm represents defendants, US Transportation Services, Inc., US Bulk Transport, Inc. and U.S. Bulk Transport IC, Inc. ("Defendants") in the above referenced matter. On August 25, 2005, Defendants filed their Brief in Support of Defendants' Motion to Dismiss, or in the Alternative for a More Definite Statement ("Brief"). While reviewing the Brief, we noticed some formatting errors in the Table of Contents and Table of Authorities. We respectfully request that the attached corrected Table of Contents and Table of Authorities be substituted in place of the original Table of Contents and Table of Authorities. I apologize for any inconvenience this may cause the Court.

Respectfully,

Denise Seastone Kraft
